What happens when curiosity leads the way?

Threading pasta shells onto garden string. Building a racetrack from scattered stones. Mixing mud pies with a wooden spoon. Your child's days with us will be filled with exploration and discovery as they develop the confidence to thrive in the wonderful world around them.

At Lancaster Lodge, you can expect a home-from-home environment, where children aged 0-5 years flow freely from calm indoor bases to expansive outdoor spaces throughout every fun-filled day.
